ADVICE TO INTERNATIONAL PASSENGERS ON LIMITATIONS OF LIABILITY

Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of an international treaty (the Warsaw Convention, the 1999 Montreal Convention, or other treaty), as well as a carrier's own contract of carriage or tariff provisions, may be applicable to their entire journey, including any portion entirely within the countries of departure and destination. The applicable treaty governs and may limit the liability of carriers to passengers for death or personal injury, destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.

Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under an international treaty. For further information please consult your airline or insurance company representative.

Conditions of Carriage

Air transportation on Delta and the Delta Connection[®] carriers is subject to Delta's [conditions of carriage](#). They include terms governing for example:

- [Limits on our liability](#) for personal injury or death of passengers, and for loss, damage or delay of goods and baggage.
- [Claim restrictions](#) including time periods within which you must file a claim or bring action against us.
- Our right to [change terms](#) of the contract.
- [Check-in requirements](#) and other rules established when we may [refuse carriage](#).

- Our rights and limits of our liability for [delay or failure to perform service](#) including schedule change, substitution of alternative air carriers or aircraft, and rerouting.
- Our policy on [overbooking flights](#), and your rights if we deny you boarding due to an oversold flight.

These terms are incorporated by reference into our contract with you. You may view these conditions of carriage on [delta.com](#), or by requesting a copy from Delta.

You have received this email because you elected to receive your Electronic Ticket receipt sent to you via email. If you would like to take advantage of other Delta email programs featuring special fares, promotions and information, please visit [delta.com/myprofile/preferences](#).

This document establishes the creation of your electronic EMD(S) in our computer systems. It does not constitute a document of carriage. Where this document is issued for transportation or services other than passenger air transportation, specific terms and conditions may apply. These terms and conditions may be provided separately or may be obtained from the issuing agent.

Effective December 15, 2019, the Canada Air Passenger Protection Regulations may provide additional protections to passengers traveling to or from Canada:

If you are denied boarding, your flight is cancelled or delayed for at least two hours, or your baggage is lost or damaged, you may be entitled to certain standards of treatment and compensation under the Air Passenger Protection Regulations. For more information about your passenger rights please contact your air carrier ([www.delta.com/appr](#)) or visit the Canadian Transportation Agency's website.

Si l'embarquement vous est refusé, ou si votre vol est annulé ou retardé d'au moins deux heures ou si vos bagages sont perdus ou endommagés, vous pourriez avoir droit au titre du Règlement sur la protection des passagers aériens, à certains avantages au titre des normes de traitement applicables et à une indemnité. Pour de plus amples renseignements sur vos droits, veuillez communiquer avec votre transporteur aérien ([www.delta.com/appr](#)) ou visiter le site Web de l'Office des transports du Canada.
