Payments: Your American Express® Corporate Card statement is payable in full upon receipt. Payments received after 5:00pm may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made in US currency, with a single draft or check drawn on a US bank and payable in US dollars or with a single negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method clearable through the US banking system. Your Account number must be included on or with all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your remittance into US currency, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord or satisfaction without our express prior written approval.

Authorization for Electronic Debit: We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to the bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against the bank or asset account for the amount of the check. If you currently send in an individual payment for expenses on the Corporate Card, please note that you are eligible to pay your bill online.

Authorization for Electronic Payments: By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electron debit to the financial account you specify in the amount you request. Payments received after 5:00pm may not be credited until the next day.

Transactions Made in Foreign Currencies: If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently the conversion rate that we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2.5%**. This conversion rate may differ from rates in effect on the date of your Charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use.

In Case of Errors or Questions About Your Bill: If you think your bill is incorrect, or if you need more information about a transaction on your bill, please call 1-800-528-2122 or the number on the back of your Card. You can also write us on a separate sheet of paper at the Customer Service address noted to the right. Requests for refunds of credit balances (designated "CR") should be made by calling us at 1-800-528-2122 or the number on the back of your Card. Billing disputes can also be initiated online. This applies to Corporate Cards only, not Cards issued under the Corporate Defined Express Program.

In Case of Errors or Questions About Electronic Transfers: Please contact us by calling 1-800-IPAY-AXP for Pay By Phone, Pay By Computer issues and automatic payment issues.

When Contacting Us Regarding Errors or Questions: We must hear from you no later than 60 days after we send you the first bill on which the error or problem appeared. When contacting us, please give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

NOTE: The airlines reserve the right to deny boarding to passengers that do not arrive at the Ticket Counter or Departure Gate with adequate time to check-in. Voluntary Changes

Although most itineraries ticketed by CheapOair allow for changes, the majority of these itinerary changes require the issuance of a new ticket, as per airline policy. All changes are subject to availability, airline rules and regulations, penalties and a difference from the original airfare and our service fees. The airline has the final authority regarding itinerary changes and penalties.

Involuntary Changes (Changes done directly by the airline)

Airlines sometimes initiate involuntary schedule changes due to a variety of reasons, such as changes in travel time, layover time, change in travel date, flight number, change in terminal, etc. These changes are made by the airline and are outside of CheapOair's control. Some of these changes may be last-minute and/or occur while you are in transit. If you booked your flight with a LCC, such as Frontier or Spirit, please contact the airline directly for any schedule change. Our agents are unable to make any changes to your LCC booking(s).

Travel Protection

We recommend that you protect your investments by purchasing Travel Protection. The coverage will become effective only once the insurance premium is received in full. Prior to ticketing, all fares are subject to change. In these cases, we will notify you and you will have the option to purchase or not purchase this ticket.

Important Travel Information

Passport / Visa Requirements

FOR DOMESTIC TRAVEL: A valid government photo I.D. must be presented by all travelers in order to board domestic flights. Minors traveling domestically with parents generally do not need a photo I.D. If traveling with children less than two (2) years old, a birth certificate may be needed to confirm the infant's age. [More Information.](#)

FOR INTERNATIONAL TRAVEL: All travelers MUST be in possession of a valid government issued Passport or Identification. Travelers MUST also have the necessary documents, Visas, Transit visas, Schengen Visas and all other entry permits for all international ports of entry.

In addition, your passport must be valid for 6 months after your return date when entering your destination. While sometimes we may be able to assist with visa and passport information, it is solely the responsibility of the passenger(s) to arrange for all documents needed to enter the country you are traveling to, or passing through in transit. Please note, a roundtrip or ongoing ticket may be required for certain international cities. If you are traveling one way, please verify with the airline or Consulate General to prevent any issues at time of boarding.

Time Allowance for Airline Check-In

Domestic Flights (Traveling within the 50 United States)

- It is recommended that you **check-in at least two (2) hours prior** to the scheduled flight departure time.
- Please allow for extra time if traveling with children or need assistance boarding the aircraft.
- Please reconfirm your flights with airline 24 to 72 hours prior to your departure.

International Flights

- It is recommended that you **check-in at least three (3) hours prior** to the scheduled flight departure time.
- Please allow for extra time if traveling with children or need assistance boarding the aircraft.

NOTE: The airlines reserve the right to deny boarding to passengers that do not arrive at the Ticket Counter or Departure Gate with adequate time to check-in. Check-in times can vary for certain cities and airlines, so it's recommended that you confirm with the airline you are flying the required check-in time.

ONLINE CHECK IN

Please note that online check-in opens 24 hours before your flight. Please make sure to carry a copy of your boarding pass to the airport to avoid additional charges. If you prefer to check in for your flights online and print your boarding passes, please click our [Airport Check In](#) link to check in for your upcoming flight.

Advice to Travelers - Travel Deals

If you have signed up for our newsletter, please add CheapOair@mycheapOair.com to your address book to ensure that you receive our latest offers and promotions. If you haven't signed up yet, [sign up](#) to receive our deals and discounts.

Baggage Rules and Fees

Additional baggage fees may apply. For more details, click here: [Baggage and Carry-On Fees](#) . Since the baggage fees may change, we recommend that you contact the airline you are traveling on for the latest information regarding airline specific baggage rules, requirements and fees.

Seats

If you have requested a seat to be assigned, we will send your request to the airline. Airline may or may not be able to confirm your request. We recommend that you choose our [Enhanced Seat Assignment](#) program for specialized seating allocation assistance by our dedicated seat assignment team. At times airlines may not be able to assign

specific seats or seats sitting together. Occasionally seats can be assigned only at the check-in counter at the airport.

Voluntary Changes

Although most itineraries ticketed by CheapOair allow for changes, the majority of these itinerary changes require the issuance of a new ticket, as per airline policy. All changes are subject to availability, airline rules and regulations, penalties and a difference from the original airfare and our service fees. The airline has the final authority regarding itinerary changes and penalties.

Involuntary Changes (Changes done directly by the airline)

Airlines sometimes initiate involuntary schedule changes due to a variety of reasons, such as changes in travel time, layover time, change in travel date, flight number, change in terminal, etc. These changes are made by the airline and are outside of CheapOair's control. Some of these changes may be last-minute and/or occur while you are in transit. If you booked your flight with a LCC, such as Frontier or Spirit, please contact the airline directly for any schedule change. Our agents are unable to make any changes to your LCC booking(s).

Travel Protection

We recommend that you protect your investments by purchasing Travel Protection. The coverage will become effective only once the insurance premium is received in full. The coverage you have purchased will only cover the arrangements booked through the website in which you purchased your protection plan. You should review detailed rules on the protection plan by reading the [Description of Coverage](#).

Fare Changes

Prior to ticketing, all fares are subject to change. In these cases, we will notify you and you will have the option to purchase or not purchase this ticket.

Passport / Visa Requirements

FOR DOMESTIC TRAVEL: A valid government photo I.D. must be presented by all travelers in order to board domestic flights. Minors traveling domestically with parents generally do not need a photo I.D. If traveling with children less than two (2) years old, a birth certificate may be needed to confirm the infant's age. [More Information.](#)

FOR INTERNATIONAL TRAVEL: All travelers MUST be in possession of a valid government issued Passport or Identification. Travelers MUST also have the necessary documents, Visas, Transit visas, Schengen Visas and all other entry permits for all international ports of entry.

In addition, your passport must be valid for 6 months after your return date when entering your destination. While sometimes we may be able to assist with visa and passport information, it is solely the responsibility of the passenger(s) to arrange for all documents needed to enter the country you are traveling to, or passing through in transit. Please note, a roundtrip or ongoing ticket may be required for certain international cities. If you are traveling one way, please verify with the airline or Consulate General to prevent any issues at time of boarding.

Time Allowance for Airline Check-In

Domestic Flights (Traveling within the 50 United States)

- It is recommended that you **check-in at least two (2) hours prior** to the scheduled flight departure time.
- Please allow for extra time if traveling with children or need assistance boarding the aircraft.
- Please reconfirm your flights with airline 24 to 72 hours prior to your departure.

International Flights

- It is recommended that you **check-in at least three (3) hours prior** to the scheduled flight departure time.
- Please allow for extra time if traveling with children or need assistance boarding the aircraft.

NOTE: The airlines reserve the right to deny boarding to passengers that do not arrive at the Ticket Counter or Departure Gate with adequate time to check-in. Check-in times can vary for certain cities and airlines, so it's recommended that you confirm with the airline you are flying the required check-in time.

ONLINE CHECK IN

Please note that online check-in opens 24 hours before your flight. Please make sure to carry a copy of your boarding pass to the airport to avoid additional charges. If you prefer to check in for your flights online and print your boarding passes, please click our [Airport Check In](#) link to check in for your upcoming flight.

If you have signed up for our newsletter, please add CheapOair@mycheapOair.com to your address book to ensure that you receive our latest offers and promotions. If you haven't signed up yet, [sign up](#) to receive our deals and discounts.

Baggage Rules and Fees

Additional baggage fees may apply. For more details, click here: [Baggage and Carry-On Fees](#) . Since the baggage fees may change, we recommend that you contact the airline you are traveling on for the latest information regarding airline specific baggage rules, requirements and fees.

Seats

If you have requested a seat to be assigned, we will send your request to the airline. Airline may or may not be able to confirm your request. We recommend that you choose our [Enhanced Seat Assignment](#) program for specialized seating allocation assistance by our dedicated seat assignment team. At times airlines may not be able to assign

specific seats or seats sitting together. Occasionally seats can be assigned only at the check-in counter at the airport.

Voluntary Changes

Although most itineraries ticketed by CheapOair allow for changes, the majority of these itinerary changes require the issuance of a new ticket, as per airline policy. All changes are subject to availability, airline rules and regulations, penalties and a difference from the original airfare and our service fees. The airline has the final authority regarding itinerary changes and penalties.

Involuntary Changes (Changes done directly by the airline)

Airlines sometimes initiate involuntary schedule changes due to a variety of reasons, such as changes in travel time, layover time, change in travel date, flight number, change in terminal, etc. These changes are made by the airline and are outside of CheapOair's control. Some of these changes may be last-minute and/or occur while you are in transit. If you booked your flight with a LCC, such as Frontier or Spirit, please contact the airline directly for any schedule change. Our agents are unable to make any changes to your LCC booking(s).

Travel Protection

We recommend that you protect your investments by purchasing Travel Protection. The coverage will become effective only once the insurance premium is received in full. The coverage you have purchased will only cover the arrangements booked through the website in which you purchased your protection plan. You should review detailed rules on the protection plan by reading the [Description of Coverage](#).

Fare Changes

Prior to ticketing, all fares are subject to change. In these cases, we will notify you and you will have the option to purchase or not purchase this ticket.
