Important information

Late payment fee

The late payment fee for consumer wireless bills not paid in full by the payment due date is up to \$8.00.

Electronic check conversion

Paying by check authorizes AT&T to use the information from your check to make a one-time electronic fund transfer from your account. Funds may be withdrawn from your account as soon as your payment is received. If we cannot process the transaction electronically, you authorize AT&T to present an image copy of your check for payment. Your original check will be destroyed once processed. If your check is returned unpaid you agree to pay such fees as identified in the terms and conditions of your agreement, up to \$30. Returned checks may be presented electronically.

Company fees & surcharges

AT&T imposes additional monthly fees on a per line basis, including:

- An Administrative & Regulatory Cost Recovery Fee (to defray certain expenses including charges AT&T or its agents pay to interconnect with other carriers to deliver calls from AT&T customers to their customers, charges associated with cell site rents and maintenance, and costs it incurs to comply with certain government-imposed

regulatory requirements, including but not limited to Wireless Number Portability and Number Pooling, and E911).

- Federal/State Universal Service Fees to help AT&T recover mandatory contributions it makes to federal and state universal service funds.
- State/Local Cost Recovery Fees to help AT&T recover taxes and required payments levied on AT&T by states and local governments.

These fees are not taxes or charges that the government requires AT&T to collect from its customers. See att.com/mobilityfees for details.

Wireless DirectBill charges

Detail of DirectBill charges can be viewed at att.com/db. The direct billing option offers you the ability to purchase content, goods and features such as apps, games, donations, and services from AT&T and other companies by applying charges to your wireless account.

911 calling with TTY and Real-Time Text

Due to technical limitations, Wi-Fi Calling and NumberSync cannot be used with TTY devices and cannot support 911 calls over TTY devices. Persons with communications disabilities can use Real-Time Text (www.att.com/RTT) as an alternative to TTY. 911 services can be reached by either: (1) calling 911 using Real-Time Text or (2) calling 911 directly using a TTY over the cellular network or from a landline telephone, or (3) sending a text message to 911 directly (in areas where text-to-911 is available) from a wireless device, or (4) using relay services to place a TTY or captioned telephone service (CTS) call from a wireless phone over the cellular network or from a landline telephone, or (5) using relay services to place a IP Relay or IP CTS call over a cellular data or other IP network.
