**Payments:** Your American Express® Corporate Card statement is payable in full upon receipt. Payments received after 5:00pm may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made in US currency, with a single draft or check drawn on a US bank and payable in US dollars or with a single negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method clearable through the US banking system. Your Account number must be included on or with all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your remittance into US currency, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord or satisfaction without our express prior written approval.

**Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to the bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against the bank or asset account for the amount of the check. If you currently send in an individual payment for expenses on the Corporate Card, please note that you are eligible to pay your bill online.

**Authorization for Electronic Payments:** By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electron debit to the financial account you specify in the amount you request. Payments received after 5:00pm may not be credited until the next day.

**Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently the conversion rate that we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2.5%**. This conversion rate may differ from rates in effect on the date of your Charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use.

**In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about a transaction on your bill, please call 1-800-528-2122 or the number on the back of your Card. You can also write us on a separate sheet of paper at the Customer Service address noted to the right. Requests for refunds of credit balances (designated "CR") should be made by calling us at 1-800-528-2122 or the number on the back of your Card. Billing disputes can also be initiated online. This applies to Corporate Cards only, not Cards issued under the Corporate Defined Express Program.

**In Case of Errors or Questions About Electronic Transfers:** Please contact us by calling 1-800-IPAY-AXP for Pay By Phone, Pay By Computer issues and automatic payment issues.

**When Contacting Us Regarding Errors or Questions:** We must hear from you no later than 60 days after we send you the first bill on which the error or problem appeared. When contacting us, please give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

#### ADVICE TO DOMESTIC CUSTOMERS ON CARRIER LIABILITY

For travel entirely within the U.S., JetBlue's liability for loss, damage or delay in delivery of baggage is limited to \$3,800 per ticketed passenger unless a higher value is declared in advance and additional charges are paid. JetBlue assumes no responsibility for fragile, unsuitably packaged, irreplaceable, essential, or perishable items. Please refer to JetBlue's Contract of Carriage for additional information.

#### ADVICE TO INTERNATIONAL PASSENGERS ON LIMITATION OF LIABILITY

Passengers on a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that international treaties known as the Montreal Convention, or its predecessor, the Warsaw Convention, including its amendments, may apply to the entire journey, including any portion thereof within a country. For such passengers, the treaty, including special contracts of carriage embodied in applicable tariffs, governs and may limit the liability of JetBlue in respect of death or injury to passengers, and for destruction or loss of, or damage to, baggage, and for delay of passengers and baggage. If your journey also involves carriage by other airlines, you should contact them for information on their limits of liability. Please refer to JetBlue's Contract of Carriage for additional information, including the limits of liability for services provided in the European Union.

#### NOTICE OF OVERBOOKING OF FLIGHTS

In the event that a flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airline's choosing. If there are not enough volunteers, JetBlue will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with JetBlue's check-in deadlines, persons denied boarding involuntarily are entitled to compensation. Please refer to

deadlines, persons denied boarding involuntarily are entitled to compensation. Please refer to JetBlue's Contract of Carriage for the complete rules for the payment of compensation and JetBlue's boarding priorities (also available at all airport ticket counters and boarding locations). Some airlines do not apply these consumer protections to travel from some foreign countries, although other consumer protections may be available. Check with your airline or your travel agent.
