Payments: Your American Express® Corporate Card statement is payable in full upon receipt. Payments received after 5:00pm may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made in US currency, with a single draft or check drawn on a US bank and payable in US dollars or with a single negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method clearable through the US banking system. Your Account number must be included on or with all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your remittance into US currency, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord or satisfaction without our express prior written approval.

Authorization for Electronic Debit: We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to the bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against the bank or asset account for the amount of the check. If you currently send in an individual payment for expenses on the Corporate Card, please note that you are eligible to pay your bill online.

Authorization for Electronic Payments: By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you will be authorizing us to initiate an electron debit to the financial account you specify in the amount you request. Payments received after 5:00pm may not be credited until the next day.

Transactions Made in Foreign Currencies: If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently the conversion rate that we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, **in each instance increased by 2.5%**. This conversion rate may differ from rates in effect on the date of your Charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use.

In Case of Errors or Questions About Your Bill: If you think your bill is incorrect, or if you need more information about a transaction on your bill, please call 1-800-528-2122 or the number on the back of your Card. You can also write us on a separate sheet of paper at the Customer Service address noted to the right. Requests for refunds of credit balances (designated "CR") should be made by calling us at 1-800-528-2122 or the number on the back of your Card. Billing disputes can also be initiated online. This applies to Corporate Cards only, not Cards issued under the Corporate Defined Express Program.

In Case of Errors or Questions About Electronic Transfers: Please contact us by calling 1-800-IPAY-AXP for Pay By Phone, Pay By Computer issues and automatic payment issues.

When Contacting Us Regarding Errors or Questions: We must hear from you no later than 60 days after we send you the first bill on which the error or problem appeared. When contacting us, please give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

Additional Baggage Information

The above amounts represent an estimate of the first and second checked baggage service charges that may apply to your itinerary. If your itinerary contains multiple travelers, the service charges may vary by traveler, depending on status or memberships.

Basic Economy onboard bag policy

Carry-on bags: You're allowed a small personal item that fits under the seat in front of you, such as a shoulder bag, purse, laptop bag or other small item, 9 inches x 10 inches x 17 inches (22 cm x 25 cm x 43 cm) or less. Mobility aids and other devices are also permitted. You're not allowed a full-sized carry-on bag unless you're a MileagePlus Premier member, primary member of a qualifying MileagePlus credit card or Star Alliance™ Gold member. **If you bring a full-sized carry-on bag to the gate, your bag will be checked and subject to the applicable checked bag fee and \$25 gate handling charge.** View our [baggage policies](#). Due to FAA regulations, operating carriers may have different carry-on requirements. Please check with the operating carrier for more information or go to united.com/baggage.

General Baggage Information First and second bag service charges do not apply to active-duty members of the U.S. military and their accompanying dependents. For additional information regarding baggage charges allowances, weight/size restrictions, exceptions or embargoes, or charges for overweight, oversized, excess, odd-sized baggage, special items or sporting equipment, visit united.com/baggage.

Disinsection Notice

Certain countries require that the passenger cabins of aircraft be treated with insecticides. For additional information and a list of those countries, please visit the [U.S. Department of Transportation's disinsection website](#).

IMPORTANT CONSUMER NOTICES

Changes/Cancellations - Most tickets, other than Basic Economy tickets or those for travel originating outside the United States, other than for travel between the United States and Mexico or the Caribbean, may be changed to a different itinerary, or cancelled and the value of the ticket retained so that it can be applied to a new ticket, without a change fee. Such change or cancellation must be made prior to the scheduled departure time. Travelers making changes will be responsible for the fare difference if the new itinerary has a higher fare than the original ticketed itinerary. Regarding non-refundable tickets, if the new itinerary has a lower fare than the original ticketed itinerary, changes can be made without charge, but the traveler is not entitled to any residual value. United may, in its sole discretion, provide partial or full residual credit under certain circumstances. A change fee may apply for changes or cancellations made to tickets for travel originating outside the United States, other than for

travel between the United States and Mexico or the Caribbean. Policies concerning your ability to make reservation changes and cancellations and any fees associated with such changes can be found at [Important travel notices | United Airlines](#).

Notice of Baggage Liability Limitations - For domestic travel between points within the United States (except for domestic portions of international journeys), United's liability for loss of, damage to, or delay in delivery of a customer's checked baggage is limited to \$3,800 per ticketed customer unless a higher value is declared in advance and additional charges are paid (not applicable to wheelchairs or other assistive devices). For such travel, United assumes no liability for high value, fragile, perishable, or otherwise excluded items; excess valuation may not be declared on certain types of valuable articles. Further information may be obtained from the carrier. For international travel governed by the Warsaw Convention (including the domestic portions of the trip), maximum liability is approximately 640 USD per bag for checked baggage, and 400 USD per passenger for unchecked baggage. For international travel governed by the Montreal Convention (including the domestic portions of the trip), maximum liability is 1,288 SDRs per passenger for baggage, whether checked or unchecked. For baggage lost, delayed, or damaged in connection with domestic travel, United requires that customers provide preliminary notice within 24 hours after arrival of the flight on which the baggage was or was to be transported and submit a written claim within 45 days of the flight. For baggage damaged or delayed in connection with most international travel (including domestic portions of international journeys), the Montreal Convention and United require customers to provide carriers written notice as follows: (a) for damaged baggage, within seven days from the date of receipt of the damaged baggage; (b) for delayed baggage, within 21 days from the date the baggage should have been returned to the customer. Please refer to Rule 28 of United's Contract of Carriage for important information relating to baggage and other limitations of liability.

Notice of Incorporated Terms - Transportation is subject to the terms and conditions of United's Contract of Carriage, which are incorporated herein by reference. Incorporated terms may include, but are not limited to: 1. Limits on liability for personal injury or death of the customer, and for loss, damage, or delay of goods and baggage, including high value, fragile, perishable, or otherwise excluded items. 2. Claims restrictions, including time periods within which customers must file a claim or bring an action against the carrier. 3. Rights of the carrier to change terms of the contract. 4. Rules about reconfirmation of reservations, check-in times, and refusal to carry. 5. Rights of the carrier and limits on liability for delay or failure to perform service, including schedule changes, substitution of an alternate air carrier or aircraft, and rerouting. The full text of United's Contract of Carriage is available at [united.com](#) or you may request a copy at any United ticket counter. Passengers have the right, upon request at any location where United's tickets are sold within the United States, to receive free of charge by mail or other delivery service the full text of United's Contract of Carriage.

Notice of Certain Terms - If you have purchased a restricted ticket, depending on the rules applicable to the fare paid, one or more restrictions including, but not limited to, the following may apply to your travel: (1) the ticket may not be refundable but can be exchanged for a fee for another restricted fare ticket meeting all the rules/restrictions of the original ticket (including the payment of any difference in fares); (2) a fee may apply for changing/canceling reservations; or (3) select tickets may not be eligible for refunds or changes even for a fee; (4) select tickets have no residual value and cannot be applied towards the purchase of future travel; or (5) travel may be restricted to specific flights and/ or times and a minimum and/or maximum stay may be required. United reserves the right to refuse carriage to any person who has acquired a ticket in violation of any United tariffs, rules, or regulations, or in violation of any applicable national, federal, state, or local law, order, regulation, or ordinance. Notwithstanding the foregoing, you are entitled to a full refund if you cancel a ticket purchased at least a week prior to departure within 24 hours of purchase.

Notice of Boarding Times - For Domestic flights, customers must be at the boarding gate at least 15 minutes prior to scheduled departure. For International flights, customers must be at the boarding gate at least 30 minutes prior to scheduled departure. The time limits provided by United in this Notice are minimum time requirements. Customer and baggage processing times may differ from airport to airport. Please visit [united.com](#) for information regarding airport-specific boarding times. It is the

customer's responsibility to arrive at the airport with enough time to complete check-in, baggage, and security screening processes within these minimum time limits. Please be sure to check flight information monitors for the correct boarding gate and the departure time of your flight. Failure to be at the boarding gate by the required time could result in the loss of your seat without compensation, regardless of whether you are already checked in or have a confirmed seat and boarding pass.

Advice to International Passengers on Carrier Liability - Passengers on a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that international treaties known as the Montreal Convention, or its predecessor, the Warsaw Convention, including its amendments, may apply to the entire journey, including any portion thereof within a country. For such passengers, the treaty, including contracts of carriage embodied in applicable tariffs, governs, and may limit the liability of the Carrier in respect of death or injury to passengers, and for destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.

Notice - Overbooking of Flights - Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadlines, which are available upon request from the air carrier, persons, denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations. *Some airlines do not apply these consumer protections to travel from some foreign countries, although other consumer protections may be available. Check with your airline or your travel agent.*

IMPORTANT CONSUMER NOTICES

Changes/Cancellations - Most tickets, other than Basic Economy tickets or those for travel originating outside the United States, other than for travel between the United States and Mexico or the Caribbean, may be changed to a different itinerary, or cancelled and the value of the ticket retained so that it can be applied to a new ticket, without a change fee. Such change or cancellation must be made prior to the scheduled departure time. Travelers making changes will be responsible for the fare difference if the new itinerary has a higher fare than the original ticketed itinerary. Regarding non-refundable tickets, if the new itinerary has a lower fare than the original ticketed itinerary, changes can be made without charge, but the traveler is not entitled to any residual value. United may, in its sole discretion, provide partial or full residual credit under certain circumstances. A change fee may apply for changes or cancellations made to tickets for travel originating outside the United States, other than for travel between the United States and Mexico or the Caribbean. Policies concerning your ability to make reservation changes and cancellations and any fees associated with such changes can be found at [Important travel notices | United Airlines](#).

Notice of Baggage Liability Limitations - For domestic travel between points within the United States (except for domestic portions of international journeys), United's liability for loss of, damage to, or delay in delivery of a customer's checked baggage is limited to \$3,800 per ticketed customer unless a higher value is declared in advance and additional charges are paid (not applicable to wheelchairs or other assistive devices). For such travel, United assumes no liability for high value, fragile, perishable, or otherwise excluded items; excess valuation may not be declared on certain types of valuable articles. Further information may be obtained from the carrier. For international travel governed by the Warsaw Convention (including the domestic portions of the trip), maximum liability is approximately 640 USD per bag for checked baggage, and 400 USD per passenger for unchecked baggage. For international travel governed by the Montreal Convention (including the domestic portions of the trip), maximum liability is 1,288 SDRs per passenger for baggage, whether checked or unchecked. For baggage lost, delayed, or damaged in connection with domestic travel, United requires that customers provide preliminary notice within 24 hours after arrival of the flight on which the baggage was or was to be transported and submit a written claim within 45 days of the flight. For baggage damaged or delayed in connection with most international travel (including domestic portions of international journeys), the Montreal Convention and United require customers to provide carriers written notice as follows: (a) for damaged baggage, within seven days from the date of receipt of the damaged baggage; (b) for delayed baggage, within 21 days from the date the baggage should have been returned to the customer. Please refer to Rule 28 of United's Contract of Carriage for important information relating to baggage and other limitations of liability.

Notice of Incorporated Terms - Transportation is subject to the terms and conditions of United's Contract of Carriage, which are incorporated herein by reference. Incorporated terms may include, but are not limited to: 1. Limits on liability for personal injury or death of the customer, and for loss, damage, or delay of goods and baggage, including high value, fragile, perishable, or otherwise excluded items. 2. Claims restrictions, including time periods within which customers must file a claim or bring an action against the carrier. 3. Rights of the carrier to change terms of the contract. 4. Rules about reconfirmation of reservations, check-in times, and refusal to carry. 5. Rights of the carrier and limits on liability for delay or failure to perform service, including schedule changes, substitution of an alternate air carrier or aircraft, and rerouting. The full text of United's Contract of Carriage is available at united.com or you may request a copy at any United ticket counter. Passengers have the right, upon request at any location where United's tickets are sold within the United States, to receive free of charge by mail or other delivery service the full text of United's Contract of Carriage.

Notice of Certain Terms - If you have purchased a restricted ticket, depending on the rules applicable to the fare paid, one or more restrictions including, but not limited to, the following may apply to your travel: (1) the ticket may not be refundable but can be exchanged for a fee for another restricted fare ticket meeting all the rules/restrictions of the original ticket (including the payment of any

difference in fares); (2) a fee may apply for changing/canceling reservations; or (3) select tickets may not be eligible for refunds or changes even for a fee; (4) select tickets have no residual value and cannot be applied towards the purchase of future travel; or (5) travel may be restricted to specific flights and/ or times and a minimum and/or maximum stay may be required. United reserves the right to refuse carriage to any person who has acquired a ticket in violation of any United tariffs, rules, or regulations, or in violation of any applicable national, federal, state, or local law, order, regulation, or ordinance. Notwithstanding the foregoing, you are entitled to a full refund if you cancel a ticket purchased at least a week prior to departure within 24 hours of purchase.

Notice of Boarding Times - For Domestic flights, customers must be at the boarding gate at least 15 minutes prior to scheduled departure. For International flights, customers must be at the boarding gate at least 30 minutes prior to scheduled departure. The time limits provided by United in this Notice are minimum time requirements. Customer and baggage processing times may differ from airport to airport. Please visit [united.com](https://www.united.com) for information regarding airport-specific boarding times. It is the customer's responsibility to arrive at the airport with enough time to complete check-in, baggage, and security screening processes within these minimum time limits. Please be sure to check flight information monitors for the correct boarding gate and the departure time of your flight. Failure to be at the boarding gate by the required time could result in the loss of your seat without compensation, regardless of whether you are already checked in or have a confirmed seat and boarding pass.

Advice to International Passengers on Carrier Liability - Passengers on a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that international treaties known as the Montreal Convention, or its predecessor, the Warsaw Convention, including its amendments, may apply to the entire journey, including any portion thereof within a country. For such passengers, the treaty, including contracts of carriage embodied in applicable tariffs, governs, and may limit the liability of the Carrier in respect of death or injury to passengers, and for destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.

Notice - Overbooking of Flights - Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadlines, which are available upon request from the air carrier, persons, denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations. *Some airlines do not apply these consumer protections to travel from some foreign countries, although other consumer protections may be available. Check with your airline or your travel agent.*

For international travel governed by the Warsaw Convention (including the domestic portions of the trip), maximum liability is approximately 640 USD per bag for checked baggage, and 400 USD per passenger for unchecked baggage. For international travel governed by the Montreal Convention (including the domestic portions of the trip), maximum liability is 1,288 SDRs per passenger for baggage, whether checked or unchecked. For baggage lost, delayed, or damaged in connection with domestic travel, United requires that customers provide preliminary notice within 24 hours after arrival of the flight on which the baggage was or was to be transported and submit a written claim within 45 days of the flight. For baggage damaged or delayed in connection with most international travel (including domestic portions of international journeys), the Montreal Convention and United require customers to provide carriers written notice as follows: (a) for damaged baggage, within seven days from the date of receipt of the damaged baggage; (b) for delayed baggage, within 21 days from the date the baggage should have been returned to the customer. Please refer to Rule 28 of United's Contract of Carriage for important information relating to baggage and other limitations of liability.

Notice of Incorporated Terms - Transportation is subject to the terms and conditions of United's Contract of Carriage, which are incorporated herein by reference. Incorporated terms may include, but are not limited to: 1. Limits on liability for personal injury or death of the customer, and for loss, damage, or delay of goods and baggage, including high value, fragile, perishable, or otherwise excluded items. 2. Claims restrictions, including time periods within which customers must file a claim or bring an action against the carrier. 3. Rights of the carrier to change terms of the contract. 4. Rules about reconfirmation of reservations, check-in times, and refusal to carry. 5. Rights of the carrier and limits on liability for delay or failure to perform service, including schedule changes, substitution of an alternate air carrier or aircraft, and rerouting. The full text of United's Contract of Carriage is available at united.com or you may request a copy at any United ticket counter. Passengers have the right, upon request at any location where United's tickets are sold within the United States, to receive free of charge by mail or other delivery service the full text of United's Contract of Carriage.

Notice of Certain Terms - If you have purchased a restricted ticket, depending on the rules applicable to the fare paid, one or more restrictions including, but not limited to, the following may apply to your travel: (1) the ticket may not be refundable but can be exchanged for a fee for another restricted fare ticket meeting all the rules/restrictions of the original ticket (including the payment of any

difference in fares); (2) a fee may apply for changing/canceling reservations; or (3) select tickets may not be eligible for refunds or changes even for a fee; (4) select tickets have no residual value and cannot be applied towards the purchase of future travel; or (5) travel may be restricted to specific flights and/ or times and a minimum and/or maximum stay may be required. United reserves the right to refuse carriage to any person who has acquired a ticket in violation of any United tariffs, rules, or regulations, or in violation of any applicable national, federal, state, or local law, order, regulation, or ordinance. Notwithstanding the foregoing, you are entitled to a full refund if you cancel a ticket purchased at least a week prior to departure within 24 hours of purchase.

Notice of Boarding Times - For Domestic flights, customers must be at the boarding gate at least 15 minutes prior to scheduled departure. For International flights, customers must be at the boarding gate at least 30 minutes prior to scheduled departure. The time limits provided by United in this Notice are minimum time requirements. Customer and baggage processing times may differ from airport to airport. Please visit [united.com](https://www.united.com) for information regarding airport-specific boarding times. It is the customer's responsibility to arrive at the airport with enough time to complete check-in, baggage, and security screening processes within these minimum time limits. Please be sure to check flight information monitors for the correct boarding gate and the departure time of your flight. Failure to be at the boarding gate by the required time could result in the loss of your seat without compensation, regardless of whether you are already checked in or have a confirmed seat and boarding pass.

Advice to International Passengers on Carrier Liability - Passengers on a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that international treaties known as the Montreal Convention, or its predecessor, the Warsaw Convention, including its amendments, may apply to the entire journey, including any portion thereof within a country. For such passengers, the treaty, including contracts of carriage embodied in applicable tariffs, governs, and may limit the liability of the Carrier in respect of death or injury to passengers, and for destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.

Notice - Overbooking of Flights - Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadlines, which are available upon request from the air carrier, persons, denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations. *Some airlines do not apply these consumer protections to travel from some foreign countries, although other consumer protections may be available. Check with your airline or your travel agent.*

IMPORTANT CONSUMER NOTICES

Changes/Cancellations - Most tickets, other than Basic Economy tickets or those for travel originating outside the United States, other than for travel between the United States and Mexico or the Caribbean, may be changed to a different itinerary, or cancelled and the value of the ticket retained so that it can be applied to a new ticket, without a change fee. Such change or cancellation must be made prior to the scheduled departure time. Travelers making changes will be responsible for the fare difference if the new itinerary has a higher fare than the original ticketed itinerary. Regarding non-refundable tickets, if the new itinerary has a lower fare than the original ticketed itinerary, changes can be made without charge, but the traveler is not entitled to any residual value. United may, in its sole discretion, provide partial or full residual credit under certain circumstances. A change fee may apply for changes or cancellations made to tickets for travel originating outside the United States, other than for travel between the United States and Mexico or the Caribbean. Policies concerning your ability to make reservation changes and cancellations and any fees associated with such changes can be found at [Important travel notices | United Airlines](#).

Notice of Baggage Liability Limitations - For domestic travel between points within the United States (except for domestic portions of international journeys), United's liability for loss of, damage to, or delay in delivery of a customer's checked baggage is limited to \$3,800 per ticketed customer unless a higher value is declared in advance and additional charges are paid (not applicable to wheelchairs or other assistive devices). For such travel, United assumes no liability for high value, fragile, perishable, or otherwise excluded items; excess valuation may not be declared on certain types of valuable articles. Further information may be obtained from the carrier. For international travel governed by the Warsaw Convention (including the domestic portions of the trip), maximum liability is approximately 640 USD per bag for checked baggage, and 400 USD per passenger for unchecked baggage. For international travel governed by the Montreal Convention (including the domestic portions of the trip), maximum liability is 1,288 SDRs per passenger for baggage, whether checked or unchecked. For baggage lost, delayed, or damaged in connection with domestic travel, United requires that customers provide preliminary notice within 24 hours after arrival of the flight on which the baggage was or was to be transported and submit a written claim within 45 days of the flight. For baggage damaged or delayed in connection with most international travel (including domestic portions of international journeys), the Montreal Convention and United require customers to provide carriers written notice as follows: (a) for damaged baggage, within seven days from the date of receipt of the damaged baggage; (b) for delayed baggage, within 21 days from the date the baggage should have been returned to the customer. Passengers have the right, upon request at any location where United's tickets are sold within the United States, to receive free of charge by mail or other delivery service the full text of United's Contract of Carriage.

Notice of Certain Terms - If you have purchased a restricted ticket, depending on the rules applicable to the fare paid, one or more restrictions including, but not limited to, the following may apply to your travel: (1) the ticket may not be refundable but can be exchanged for a fee for another restricted fare ticket meeting all the rules/restrictions of the original ticket (including the payment of any

difference in fares); (2) a fee may apply for changing/canceling reservations; or (3) select tickets may not be eligible for refunds or changes even for a fee; (4) select tickets have no residual value and cannot be applied towards the purchase of future travel; or (5) travel may be restricted to specific flights and/ or times and a minimum and/or maximum stay may be required. Advice to International Passengers on Carrier Liability - Passengers on a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that international treaties known as the Montreal Convention, or its predecessor, the Warsaw Convention, including its amendments, may apply to the entire journey, including any portion thereof within a country. For such passengers, the treaty, including contracts of carriage embodied in applicable tariffs, governs, and may limit the liability of the Carrier in respect of death or injury to passengers, and for destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.

Notice - Overbooking of Flights - Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadlines, which are available upon request from the air carrier, persons, denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations. *Some airlines do not apply these consumer protections to travel from some foreign countries, although other consumer protections may be available. IMPORTANT CONSUMER NOTICES

Changes/Cancellations - Most tickets, other than Basic Economy tickets or those for travel originating outside the United States, other than for travel between the United States and Mexico or the Caribbean, may be changed to a different itinerary, or cancelled and the value of the ticket retained so that it can be applied to a new ticket, without a change fee. Such change or cancellation must be made prior to the scheduled departure time. Travelers making changes will be responsible for the fare difference if the new itinerary has a higher fare than the original ticketed itinerary. Regarding non-refundable tickets, if the new itinerary has a lower fare than the original ticketed itinerary, changes can be made without charge, but the traveler is not entitled to any residual value. United may, in its sole discretion, provide partial or full residual credit under certain circumstances. A change fee may apply for changes or cancellations made to tickets for travel originating outside the United States, other than for travel between the United States and Mexico or the Caribbean. Policies concerning your ability to make reservation changes and cancellations and any fees associated with such changes can be found at [Important travel notices | United Airlines](#).

Notice of Baggage Liability Limitations - For domestic travel between points within the United States (except for domestic portions of international journeys), United's liability for loss of, damage to, or delay in delivery of a customer's checked baggage is limited to \$3,800 per ticketed customer unless a higher value is declared in advance and additional charges are paid (not applicable to wheelchairs or other assistive devices). For such travel, United assumes no liability for high value, fragile, perishable, or otherwise excluded items; excess valuation may not be declared on certain types of valuable articles. Further information may be obtained from the carrier. For international travel governed by the Warsaw Convention (including the domestic portions of the trip), maximum liability is approximately 640 USD per bag for checked baggage, and 400 USD per passenger for unchecked baggage. For international travel governed by the Montreal Convention (including the domestic portions of the trip), maximum liability is 1,288 SDRs per passenger for baggage, whether checked or unchecked. For baggage lost, delayed, or damaged in connection with domestic travel, United requires that customers provide preliminary notice within 24 hours after arrival of the flight on which the baggage was or was to be transported and submit a written claim within 45 days of the flight. For baggage damaged or delayed in connection with most international travel (including domestic portions of international journeys), the Montreal Convention and United require customers to provide carriers written notice as follows: (a) for damaged baggage, within seven days from the date of receipt of the damaged baggage; (b) for delayed baggage, within 21 days from the date the baggage should have been returned to the customer. Please refer to Rule 28 of United's Contract of Carriage for important information relating to baggage and other limitations of liability.

Notice of Incorporated Terms - Transportation is subject to the terms and conditions of United's Contract of Carriage, which are incorporated herein by reference. Incorporated terms may include, but are not limited to: 1. Limits on liability for personal injury or death of the customer, and for loss, damage, or delay of goods and baggage, including high value, fragile, perishable, or otherwise excluded items. 2. Claims restrictions, including time periods within which customers must file a claim or bring an action against the carrier. 3. Rights of the carrier to change terms of the contract. 4. Rules about reconfirmation of reservations, check-in times, and refusal to carry. 5. Rights of the carrier and limits on liability for delay or failure to perform service, including schedule changes, substitution of an alternate air carrier or aircraft, and rerouting. The full text of United's Contract of Carriage is available at united.com or you may request a copy at any United ticket counter. Passengers have the right, upon request at any location where United's tickets are sold within the United States, to receive free of charge by mail or other delivery service the full text of United's Contract of Carriage.

Notice of Certain Terms - If you have purchased a restricted ticket, depending on the rules applicable to the fare paid, one or more restrictions including, but not limited to, the following may apply to your travel: (1) the ticket may not be refundable but can be exchanged for a fee for another restricted fare ticket meeting all the rules/restrictions of the original ticket (including the payment of any

difference in fares); (2) a fee may apply for changing/canceling reservations; or (3) select tickets may not be eligible for refunds or changes even for a fee; (4) select tickets have no residual value and cannot be applied towards the purchase of future travel; or (5) travel may be restricted to specific flights and/ or times and a minimum and/or maximum stay may be required. United reserves the right to refuse carriage to any person who has acquired a ticket in violation of any United tariffs, rules, or regulations, or in violation of any applicable national, federal, state, or local law, order, regulation, or ordinance. Notwithstanding the foregoing, you are entitled to a full refund if you cancel a ticket purchased at least a week prior to departure within 24 hours of purchase.

Notice of Boarding Times - For Domestic flights, customers must be at the boarding gate at least 15 minutes prior to scheduled departure. For International flights, customers must be at the boarding gate at least 30 minutes prior to scheduled departure. The time limits provided by United in this Notice are minimum time requirements. Customer and baggage processing times may differ from airport to airport. Please visit [united.com](https://www.united.com) for information regarding airport-specific boarding times. It is the customer's responsibility to arrive at the airport with enough time to complete check-in, baggage, and security screening processes within these minimum time limits. Please be sure to check flight information monitors for the correct boarding gate and the departure time of your flight. Failure to be at the boarding gate by the required time could result in the loss of your seat without compensation, regardless of whether you are already checked in or have a confirmed seat and boarding pass.

Advice to International Passengers on Carrier Liability - Passengers on a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that international treaties known as the Montreal Convention, or its predecessor, the Warsaw Convention, including its amendments, may apply to the entire journey, including any portion thereof within a country. For such passengers, the treaty, including contracts of carriage embodied in applicable tariffs, governs, and may limit the liability of the Carrier in respect of death or injury to passengers, and for destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.

Notice - Overbooking of Flights - Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadlines, which are available upon request from the air carrier, persons, denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations. *Some airlines do not apply these consumer protections to travel from some foreign countries, although other consumer protections may be available. Check with your airline or your travel agent.*

IMPORTANT CONSUMER NOTICES

Changes/Cancellations - Most tickets, other than Basic Economy tickets or those for travel originating outside the United States, other than for travel between the United States and Mexico or the Caribbean, may be changed to a different itinerary, or cancelled and the value of the ticket retained so that it can be applied to a new ticket, without a change fee. Such change or cancellation must be made prior to the scheduled departure time. Travelers making changes will be responsible for the fare difference if the new itinerary has a higher fare than the original ticketed itinerary. Regarding non-refundable tickets, if the new itinerary has a lower fare than the original ticketed itinerary, changes can be made without charge, but the traveler is not entitled to any residual value. United may, in its sole discretion, provide partial or full residual credit under certain circumstances. A change fee may apply for changes or cancellations made to tickets for travel originating outside the United States, other than for travel between the United States and Mexico or the Caribbean. Policies concerning your ability to make reservation changes and cancellations and any fees associated with such changes can be found at [Important travel notices | United Airlines](#).

Notice of Baggage Liability Limitations - For domestic travel between points within the United States (except for domestic portions of international journeys), United's liability for loss of, damage to, or delay in delivery of a customer's checked baggage is limited to \$3,800 per ticketed customer unless a higher value is declared in advance and additional charges are paid (not applicable to wheelchairs or other assistive devices). For such travel, United assumes no liability for high value, fragile, perishable, or otherwise excluded items; excess valuation may not be declared on certain types of valuable articles. Further information may be obtained from the carrier. For international travel governed by the Warsaw Convention (including the domestic portions of the trip), maximum liability is approximately 640 USD per bag for checked baggage, and 400 USD per passenger for unchecked baggage. For international travel governed by the Montreal Convention (including the domestic portions of the trip), maximum liability is 1,288 SDRs per passenger for baggage, whether checked or unchecked. difference in fares); (2) a fee may apply for changing/canceling reservations; or (3) select tickets may not be eligible for refunds or changes even for a fee; (4) select tickets have no residual value and cannot be applied towards the purchase of future travel; or (5) travel may be restricted to specific flights and/ or times and a minimum and/or maximum stay may be required. Advice to International Passengers on Carrier Liability - Passengers on a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that international treaties known as the Montreal Convention, or its predecessor, the Warsaw Convention, including its amendments, may apply to the entire journey, including any portion thereof within a country. For such passengers, the treaty, including contracts of carriage embodied in applicable tariffs, governs, and may limit the liability of the Carrier in respect of death or injury to passengers, and for destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.

Notice - Overbooking of Flights - Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadlines, which are available upon request from the air carrier, persons, denied boarding involuntarily are entitled to compensation.
