No, I'm willing to risk my \$418.97 flight. I understand by declining this coverage that I may be responsible for cancellation fees and delay expenses personally or through alternate coverage.

38000+ travelers protected their flight on Expedia last week. Here's what one traveler had to say:

 Mary C., Gloucester, VA

"I didn't know I would get a refund, thought I would get a credit with the same airline. It will make booking the trip easier, when my husband gets better."

3. Review the terms of your booking:

- If you book a fare that allows changes, the airline may charge a change or cancel fee, plus any fare difference. Airlines set change and cancel policies and fee amounts. We may collect these change or cancel fees, which are then passed on to the airline.
- Tickets are nonrefundable and nontransferable. Itinerary changes are permitted, fee may apply.
