Choice Extra, Choice Preferred, and Choice Transferable Flight Credits created from reservations booked and ticketed and/or changed on or after May 28, 2025 expire twelve months from the date the fare was purchased and ticketed. Basic fare flight credits expire six months from the date the fare was purchased and ticketed.

**Prohibition on Multiple/Conflicting Reservations:** To promote seat availability for our Customers, Southwest® prohibits multiple reservations for the same Passenger departing from the same city on the same date, or any multiple reservations containing conflicting or overlapping itineraries (such as departures for the same Customer from multiple cities at the same time). Furthermore, without advance notice to the Passenger or purchaser, Southwest may cancel such reservations, or any other reservations that it believes, in its sole discretion, were made without intent to travel. With the exception of Southwest gift cards, funds from proactively canceled reservations by Southwest will be returned to the original form of payment. Reservations paid for with a Southwest gift card will have the amount applied from the gift card held as a flight credit for use by the Customer on a future Southwest Airlines® flight.

If you have purchased a refundable fare and choose not to travel, you must request your refund to the original payment form within 1 year of ticket issuance.
